**IMPORTANT INFORMATION FOR AUTHORS**

To be published in the IEEE WCNC 2012 Conference Proceedings and IEEE Xplore®, at least one Author of an accepted paper is required to register for the conference at the FULL Rate (R01, R02 or R03) or LIMITED Rate (R04, R05 or R06) and the paper must be presented at the conference. Non-refundable registration fees must be paid prior to uploading the final IEEE formatted, publication ready version of the paper. For authors with multiple accepted papers, one full registration is valid for up to three (3) conference papers.

A workshop registration is mandatory for an accepted workshop paper. The workshop paper cannot be included into the 3 papers covered by the conference registration fee. If a workshop presenter wishes to attend the whole conference, he/she has also to register for the conference at the rate applicable.

Please do not share your registration confirmation code with anyone else. Although the code enables submission of up to three papers, it can only be used once, by you, to create an Author account. Accepted and presented papers will be published in the IEEE WCNC 2012 Conference Proceedings and in IEEE Xplore®.

IEEE reserves the right to exclude a paper from distribution after the conference (e.g., removal from IEEE Xplore) if the paper is not presented at the conference.

Student, Life Member and One Day registrations (R07-R013) are not valid as an author registration.  
 The **deadline** for Author registration is **Monday, 16 January 2012.**
